

Want to help in RTW fight? HERE'S HOW

Four practical suggestions

Here are four practical suggestions how you can help in the “right-to-work/freedom-to-work/workplace freedom” fight promoted by Big Business and out-of-state millionaires to hurt all of us in the middle class:

1

On EVERY check, attach a “This Payment Made Possible by Union Wages” sticker to remind people that your union paycheck made this payment possible.

2

On every credit card charge receipt – at a restaurant, in the mall - take one of the stickers from your purse/wallet and attach it to the charge receipt you sign.

3

Text the word VOICE to 235246 to be added to a list for urgent updates on the issues we face here in Missouri with calls to action that you can do ASAP.

4

When asked to help, contact your state rep or senator with a new convenient one-step phone call to 1- 888-825-1418, the new AFL-CIO’s state legislative hotline. First, you’ll hear info on the dangers of the RTW bills and then, by entering your ZIP code, you’ll immediately be hooked up to your area’s elected official.
Easy, convenient, quick. Your call can make a world of difference.

MAKING YOUR VOICE HEARD: Adding a “Payment Made” sticker to either your check or a credit card charge receipt will send a strong \$\$\$ message to merchants that union wages are right for Missouri....and right-to-work/freedom-to-work/workplace freedom is ok for millionaires and the 1%, but it’s WRONG for middle class working Missourians – you and I! Keep a few stickers in your wallet so when you’re out, they will be readily available. – Labor Tribune photos

Order your stickers now!

To order stickers (at cost, printed in an Allied Union Label union shop – C&C Quality Printing, St. Louis) contact Craig Darrah, president of the St. Louis Union Label & Service Trades Council, at 636-379-1134 or 636-293-1878 or email him at thedarrahs@hotmail.com.

THE COST TO HELP IN THE RTW FIGHT

(16 stickers to a card)

# of cards	# of stickers	cost + shipping	TOTAL COST
500	8,000	\$25 + \$6	\$31
2,000	32,000	\$100 + \$12	\$112
5,000	80,000	\$250 + \$30	\$280
10,000	160,000	\$500 + \$40	\$540

If we flood the bright yellow stickers everywhere, businesses large and small – and their employees – will get the message where it counts – in their cash registers. Hopefully they’ll then help spread the word about the economic benefits that union wages bring to Missouri’s economy. With enough of them, we can sway attitudes – and perhaps later votes – against this anti-worker, intentionally mis-named proposal.
